Dear Parent,

Thank you for your interest in attending our private school. We know that entrusting a school with the education of your student is a very big decision, so we are honored that you have chosen to apply with us.

We also know that private education can be a financial hardship on many families. That's why we are delighted to partner with ACE Scholarships, an organization here in Colorado that provides partial financial aid to families of need so they can send their students to the private schools of their choice.

An ACE scholarship can be up to 50% of tuition to a private school (limited to \$2,000 annually for grades K(5)-8 or \$3,000 annually for grades 9-12. If you receive the scholarship we will work with you to arrange payment for the remaining tuition to our school.

If your student is awarded the ACE scholarship the funds belong to your student, so if you decide to transfer your student out of our school and enroll him or her into another private school that also works with ACE, the scholarship will follow your student.

On this page, you will find the ACE application – please complete and return it to us along with your financial paperwork from last year. Once we receive your application we will review it and then contact you. Thank you once again for your interest in our school.

We look forward to serving you and your student in this upcoming school year.

Sincerely,

Steve Coleman
Head of School
